

West Life Training Plan - WP 2 Milestone 5

2016

International Symposium on Grids and Clouds 2016, Taiwan (CSIC) (User training)

From 2D images to 3D structures: A practical course on Electron Microscopy Single Particle Analysis 2016, Madrid (CSIC, STFC) (User Training)

Utrecht University Instruct course

West-Life Hackathon - July 2016 (Luna, STFC) (Developer training)

First I2PC-FEI "hands on" course on image processing applied to the structural characterization of biological macromolecules. Madrid, October 17 - 20, 2016 (User training)

Supplementary: Developer Conference: Digital Infrastructure for Research - September 2016 (Attending: STFC, Instruct) (Developer training)

2017

Instruct Training Call - 2017 - New call will be open this week

(<https://www.structuralbiology.eu/update/events/training-courses>)

(Instruct) (User training)

Practical course on integrating computational techniques into Scipion - 2017 (CSIC) (Developer training)

User training workshop - Instruct Biennial 2017 (User training)

2018

User training of pilot - 2018

Developer training - 2018

Systems training - 2018
